

THIS ASSIGNMENT, BILL OF SALE AND CONVEYANCE, dated effective as of April 1, 1986 at 8:00 a.m., M.D.S.T. (the "Effective Time"), is from Century Oil & Gas Corporation (herein called "Assignor"), to Citation Oil And Gas, Ltd. (herein called "Assignee"), P. O. Box 1791, Bismarck, North Dakota 58502.

For ten dollars and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor, Assignor hereby sells, transfers, assigns, and conveys to Assignee, the interests described below (all of which are herein called the "Interests"):

1. All of Assignor's interests consisting of the undivided working interests listed on Exhibit A and to the entire estate created by the oil and gas leases described in Exhibit A (herein called the "Leases"), insofar as the Leases cover and relate to the lands described in Exhibit A (such lands being herein called the "Lands", and such interests in the Leases insofar as the Leases cover and relate to the Lands being herein called the "Properties");

2. All of Assignor's interests, consisting of the undivided working interests listed on Exhibit A in the fixtures, personal property and equipment located on, appurtenant to or used or obtained in connection with the Properties or the sale or disposal therefrom or attributable thereto, including without limitation, wells, well equipment, casing, tanks, boilers, buildings, tubing, pumping units, motors, pipelines, gathering lines and all other machinery, equipment, and improvements used in the operation of the Properties (all of the foregoing are collectively referred to herein as the "Related Assets");

3. All of Assignor's rights and obligations under permits, licenses, servitudes, easements, rights-of-way, orders, gas purchase and sale contracts (wherein Assignor is a selling party), crude oil purchase and sale agreements (wherein Assignor is a selling party), surface leases, farmin agreements, farmout agreements, operating agreements, unit agreements, processing agreements, options, leases of equipment or

facilities and other contracts, agreements or rights which are appurtenant to or used in connection with the ownership or operation of the Properties or with the production, treatment or sale or disposal of water, hydrocarbons or associated substances from the Properties.

TO HAVE AND TO HOLD the Interests unto Assignee and its respective successors and assigns forever, subject to the following:

1. The terms and conditions of that certain letter proposal dated April 2, 1986 and effective April 1, 1986, and as amended by conference on April 4, 1986, by and between Citation Oil And Gas, Ltd., as "Purchaser", and Century Oil & Gas Corporation as "Seller".

2. All of the terms and provisions of the Leases, any intervening assignments thereof and to Assignee's proportionate share of all overriding royalty interests, production payments or other lease burdens of record as of the effective date of this Assignment.

Assignor, for Assignor and Assignor's successors and assigns, represents and warrants to Assignee and its successors and assigns that Assignor is the lawful owner of the Interests free and clear from liens, encumbrances or adverse claims arising by, through and under Assignor, but not otherwise; that the Leases are valid and subsisting leases on the Lands, and all rentals and royalties due under the leases have been paid and all conditions necessary to keep the Leases in full have been duly performed.

Assignor also hereby grants and transfers to Assignee and its successors and assigns, to the extent so transferable, the benefit of and the right to enforce all covenants with respect to the Interests against Assignor's predecessors in title to the interests.

This Assignment, Bill of Sale and Conveyance, shall bind and insure to the benefit of Assignor and Assignee and its successors and assigns.
